Contact us via email if you need help! There's no right or wrong way to do this.

The only rule is to write about **Planning Problems** of North Stoneville, (*check **SPH Fact Sheet***).

Step 1: Check SPH Fact Sheet for suggestions:

- reasons you're opposed
- potential consequences of the Plan (Environment / Road dangers / Fire risks / etc)
- perhaps a personal story – problems you experienced getting out of the 2008 or 2014 fires, etc.

Step 2: Options - Can be handwritten, typed as a Word doc or PDF, use our template, create your own document, or update your Shire deputation from January 2019.

Step 3: Delivery: Forward to Save Perth Hills. We'll hand over everyone's deputation as one compelling community message!
